- Once dry glue frame and all elements on base. Use the scored marks to guide you.
- On one end of the twig loop the thin jute on and end then wrap around the top and tie with a knot to secure the loop. (use a dab of glue if needed.)
- Use the raffia ribbon with the sticker, remove backing and add 3" cut pieces of thin raffia along the sticky side. Then add a dab a glue on the end of the broom stick and wrap the raffia ribbon around carefully, then add a dab a glue to finish it.
- Add decorative patterns to the broom sticks. Use the black yarn to hand the sign.
- Special: Paint the bat and skulls as desired and hang with the longer yarn.

Tips:

- These are just guidelines, feel free to paint/decorate however you choose.
- For smaller pieces, place a strip of tape sticky side up on your table, place the smaller piece on it, this will hold them down while you paint.
- Some areas may require 2-3 coats, let dry completely before applying additional coats. After painting, some pieces may have tiny fibers that swell and cause a rough texture, use a fine grit sand paper and very lightly sand smooth.

** Paint colors and Ribbon may vary from the example picture.
