

# Scrabble Tile Wall Art

## Your kit contains:

- 12- 5" Scrabble Tiles plus Letters and Numbers
- 7"x8" Wood Block
- 4 Paint Pots, Black Sponge Brush, Makeup Sponge, & Paint Tray
- 2 Super Glue tubes & Sanding Block
- Metal Clip and D-Ring with screws.

## What you need:

- Masking Tape
- Ruler & Pencil
- Screwdriver
- Baby Wipes or Damp Rag/Paper Towel
- Water rinse cup
- Table Cloth
- Rag/Paper towels

## Instructions:

- Paint all the tiles in your color choice with the black sponge brush.
- Paint all the letters and numbers in your color choice with the makeup sponge.
- Paint the wood block.
- Add distressing if desired.
- Glue letters and numbers on tiles once it's all dry.
- Screw the d ring into the back of the wood block in the center about an inch from the top.
- Screw the clip in the front of the wood block centered about 1/2" down from the top.
- Hang scrabble tiles with command strips (not included). I like the velcro command strips as they allow more flexibility when hanging.

## Tips:

- These are just guidelines, feel free to paint/decorate however you choose.
- For smaller pieces, place a strip of tape sticky side up on your table, place the smaller piece on it, this will hold them down while you paint.
- Some areas may require 2-3 coats, let dry completely before applying additional coats. After painting, some pieces may have tiny fibers that swell and cause a rough texture, use a fine grit sand paper and very lightly sand smooth.

Enjoy!!
